

Dear MedImpact Standard Formulary beneficiary:

Our records show that you are using diabetes testing supplies.

We want to provide you with the best products for your diabetes care. We recently compared the quality and performance of blood glucose meters and test strips available. After a thorough review, **we have selected Abbott Diabetes Care, the maker of FreeStyle and Precision brand products as the only supplier for your diabetic testing supplies, starting April 1st, 2017.**

- FreeStyle Lite[®] meters
- FreeStyle Freedom Lite[®] meters
- Precision Xtra[®] meters
- FreeStyle Lite[®] test strips
- Precision Xtra[®] test strips
- Precision Xtra[®] Beta Ketone test strips

What do you need to do?

1. Get a new **FREE** meter* by choosing from one of the options below:
 - a. Get a new meter prescription from your doctor, go to your local pharmacy and request a meter, or...
 - b. Order online at www.ChooseFreeStyle.com. When ordering, under Your Health Plan, please select “MedImpact” in the dropdown menu.
2. Keep using the test strips with your current meter until your supplies run out. Your pharmacist will refill your test strips with strips that work with your new meter. When you no longer have any refills, ask your doctor for a new test strip prescription that works with your new meter.

Additional product information is available from ADC Customer Care at 1-800-522-5226 or online at www.AbbottDiabetesCare.com.

For questions or help with your new meter, contact your doctor or call the Abbott Diabetes Care help line at 1-800-522-5226, Monday through Friday, 8 am – 8 pm ET.

Sincerely,

A handwritten signature in black ink that reads "Jordan D. Smith".
